

Let us give your home the roof it deserves.

Dulux AcraTex® Roof Restoration System

Your roof provides more than just shelter. It is an extension of your home and should be given the same love and care to match the inside's look and feel.

That's where we come in. Dulux AcraTex's Roof Restoration System is an opportunity to refresh, revitalise and transform your roof to not only reflect your home, but you and your family too. Backed by the most trusted paints brand in Australia¹, we provide a full restoration system.

To reinforce Dulux AcraTex's quality, we offer a 10 year warranty on product performance covering aspects like film integrity, peeling and cracking as well.²

Let us increase your street appeal and give you the home you deserve.

¹As voted by Australians in the 2019 Readers Digest Most Trusted Survey. ²A 10 year material warranty is issued on product performance when the Dulux AcraTex Roof Membrane coating system has been applied by a Dulux AcraTex Approved Roofing Applicator. System warranties cover film integrity, peeling and cracking.

LIGHT GREY USED

GREYS

Taking inspiration from earthy stone hues can help your home blend in with the local surroundings. With a wide variety of shades, create a classic look that will stand the test of time.

RED

Traditional red roofing is an Australian iconic element. To create a traditional feel you can't go past these familiar earthy reds and terracottas for a timeless appeal. There are so many options when creating a colour scheme with a red roof. As these colours are earthy you can use natural greys, greiges, greens and stone colours.
