Dulux Project Earth

A Queensland Department of Environment and Science approved Product Stewardship Scheme. Approval number: CTS No. 16076/20

Dulux is working with several large construction companies to recycle used water-based paint drums/pails.

Dulux is then looking at reprocessing these drums into saleable paint sundry items to sell through our Australian network of stores

For more information please call Mark Taylor: 0408 010 082
