

The Dulux logo is positioned in the top right corner, featuring the brand name in a white, bold, sans-serif font against a dark blue rectangular background.

# Inspiring nursery ideas

It all starts here

○..... Gardenia Frost in Design Pearl™

○..... Beige Royal A192

○..... Beige Royal Quarter A192

○..... Whisper White B18

## Dreamy baby

Using neutral tones and plenty of white, a relaxing, ethereal environment is created. The scallop effect on the chimney breast uses Dulux Design Pearl™ as a highlight, adding to the room's dreamy charm.

Download a stencil for the scalloping effect on the chimney at [dulux.com.au/colour/nurseryroom](http://dulux.com.au/colour/nurseryroom)

Colour psychology: Soft whites and warm, subtle shades promote a soothing environment, the perfect setting for sweet dreams.

# Bright baby

A fresh white space makes the perfect backdrop for bright pops of colour and a one-of-a-kind look. Colourful accessories all tie into the diamond feature wall.

Recreate the diamond feature wall with our handy guide at [dulux.com.au/colour/nurseryroom](http://dulux.com.au/colour/nurseryroom)

Colour psychology: Splashes of bright colour create a vibrant feature for baby to enjoy, while promoting happiness and stimulating the imagination.

Peplum Quarter B28

Birdie\*

Overtone\*

Petula\*

Lickedey Lick\*

\*This colour is from the Dulux Specifier palette and is not available as a chip on the Dulux Colour Wall. Sample pots are available in any Dulux colour; please consult your retailer for more details.

○..... Pink Clay Half A75

○..... Vivid White B12

## Sugar baby

Soft pink is grounded with a pale neutral, adding just the right amount of sweet. The oh-so-cute washing line feature adds a whimsical element to this gentle and relaxing space.

Learn how to create your own clothesline feature at [dulux.com.au/colour/nurseryroom](http://dulux.com.au/colour/nurseryroom)

Colour psychology: Pastel pinks have a warm, comforting effect, and help promote empathy and a peaceful environment.

○..... Bosco Blue A335

○..... Airborne A336

○..... Outrigger A335

○..... White on White B22

## Nature baby

A neutral space is transformed into an urban forest with a feature of trees. Straight lines modernise the tree motif that unites layered green-blue hues, and makes the perfect home for the watchful owl!

Download a guide to create the tree feature in your home at [dulux.com.au/colour/nurseryroom](http://dulux.com.au/colour/nurseryroom)

Colour psychology: Cool blues and greens have a restful effect, calming the body and mind to promote sleep.

○ Natural White B1

## Vintage baby

A classic and timeless vintage style. The world map bunting gives this space a quirky edge, and the neutral green works for boys and girls, while complementing the mid timber tones.

Learn how to create your own bunting at [dulux.com.au/colour/nurseryroom](http://dulux.com.au/colour/nurseryroom)

Colour psychology:  
Green can promote health and wellbeing, and its calming effect makes it ideal for a retro style nursery.

○ Green Spruce A248

○..... Lexicon Half B6

## Creative babies

Fun colours and striking patterns add instant imagination to this nursery. Diagonal stripes create a fun graphic effect, and the soft, buttery yellow is perfect for boys, girls, or even twins!

Download a guide to create the striped feature wall at [dulux.com.au/colour/nurseryroom](http://dulux.com.au/colour/nurseryroom)

Colour psychology:  
Yellow is a happy, cheerful colour that makes for an inviting playroom, and promotes concentration as baby grows and learns.

○..... Pale Daffodil A206

## Dulux Wash & Wear® Plus – Low Sheen.

Protect your family against bacteria and mould.

Wash & Wear® Plus is designed to withstand all that young families and pets can throw at it. This high performance paint has been specially designed to resist the growth of bacteria and mould on walls. Based on Wash & Wear® Barrier Technology™, it creates a super tough finish that allows most common marks, scuffs and stains to be easily wiped away with a damp cloth. Dulux Wash & Wear® Plus is a low odour, low VOC\* product, and is recommended for use in all living areas.

Remember, only Dulux paint is formulated for tinting to the exact Dulux colours you select.
