Dulux Authentic Colour™

We Australians are a house proud bunch. When it comes to choosing paint colour, it's worth getting right (the first time) because the colours we share in our homes should be the real deal.

Here at Dulux we've been crafting some of Australia's iconic paint colours for nearly a century, so if it's Dulux Authentic Colour™ you want, insist on Dulux Wash&Wear® or Dulux Weathershield®.

Designer Tip

Choosing a white

Warm whites pair beautifully with timber accents. Cool whites can create a sense of space and complement other cool hues such as grey.

Please note: Due to limitations of the printing process, photographic and printed images may not represent the true colour. Always confirm your colour choice with Dulux Colour Sample Pots.
